Reason for revision of assessment:

THIS IS NOT A BILL

Indiana Code 50-IAC-21 Assessors are required to adjust (trend) all real property assessments annually. The assessment values listed above are intended to reflect the market value in use of your property for this designated period as of March 1, 2007. These values will not necessarily correspond to a similar change in your tax bill in 2008. All property values in Monroe County have been reviewed for adjustment; tax rates will be adjusted to reflect these changes.

Please look at the **total assessed value** of your property. This value should be close to the market value in use of your property. If you disagree with **the total value** the assessor has placed on your property you may want to discuss the assessment information with your Assessor.

**NOTE: YOU HAVE 45 DAYS TO APPEAL YOUR ASSESSMENT.
THE APPEAL DEADLINE IS JANUARY 14, 2008.**

If the change in assessment is due to a new home, you should be aware that there are many property tax benefits or deductions available. Please see INDIANA PROPERTY TAX BENEFITS (State Form 51781) available on the DLGF - website www.IN.gov/dlgef. If the real property is reassessed because it has been rehabilitated, you may be eligible for rehabilitation deductions - see Forms 322, 322A, 322-ERA. Other non-residential construction may be eligible for deductions - see Forms 322-ERA and RPID-1.
